

BE A SAMARITAN VOLUNTEER

Make a difference to someone in need and help bring improved quality-of-life to homebound individuals.

Visiting Nurse & Hospice of Fairfield County is seeking Samaritan Volunteers who are willing to help homebound patients with transportation needs such as driving to doctors' appointments, running errands or picking up groceries and medical supplies. As a Samaritan Volunteer, you will use your own vehicle to help support patients and their family members/caregivers and provide them with greater independence and improved quality-of life.

Volunteers are required to attend a one-session training course for a total of five hours to learn about the agency and its policies, safety issues, different types of diseases and how best to accommodate patients within the scope of the program. Volunteers are provided with ongoing support and supervision by the Volunteer Coordinator.

Wednesday, August 9th from 10:00 a.m. until 1:00 p.m.
