

ADVANCE MEDICAL DIRECTIVES

Explore the concept of preparing advance health care decisions regarding your personal medical care. Advance Medical Directives can help guide your family members and your healthcare providers to honor your wishes concerning medical treatment should you ever be in a situation where you are unable to communicate them for yourself.

Join us for this informative breakfast presentation hosted by Staying Put in New Canaan where Katherine Lasberg, JD, BSN, RN, Community Health Nurse from Visiting Nurse & Hospice of Fairfield County, will discuss advance directives, including living wills and power of attorney.
